Rep. Robert Wittke Takes Oath as member of the 105th Wisconsin State Legislature – Committee Assignments **Wittke will chair Assembly Jobs and Economy Committee**

“Today I joined my colleagues as we took the oath of office to serve as a member of the 105th Wisconsin State Legislature. This is an opportunity I do not take lightly and I look forward to serving the residents of the 62nd Assembly District.

During the next two years I will serve on as chair of the Assembly Committee on Jobs and the Economy which offers a great opportunity to work with members on policy to revive our state economy in the wake of the COVID-19 pandemic. Our work will be essential to addressing pandemic joblessness and business closures. I will also serve once again as vice-chair on Ways and Means.

I will also serve again on the Assembly Committees on Education and Colleges and Universities, and have been appointed to the State Building Commission. The Building Commission oversees the planning, improvement, major maintenance and renovation of state facilities, as well as supervision of all matters relating to the contracting of public debt.

These committee assignments play to my strengths and I am enthusiastically looking forward to serving and working on policies to benefit the wellbeing of the State of Wisconsin.”
