WITTKKE BILL TO END STADIUM TAX MOVES CLOSER TO REALITY
"Assembly Bill 73 will finally Close-the-Roof on Stadium tax!"

MADISON, The end of the Miller Park Stadium tax is one step closer to reality today as the Assembly Committee on Ways and Means unanimously passed the bill authored by Rep. Robert Wittke (R-Racine) and Senator Van Wanggaard (R-Racine). "This is a great day for taxpayers in Racine, Milwaukee, Ozaukee, Washington and Waukesha Counties, and the State of Wisconsin" said Wittke "we will close-the-roof on a sales tax that is long overdue".

"I'm happy we have seen the success of our Brewers all these years and look forward to more successful seasons for the team in Milwaukee." Wittke said.

Assembly Bill 73 now awaits a vote by the state assembly in June.
