Assembly Bills 2 & 3 pass Joint Committee on Finance PPP relief coming to Wisconsinites

“I am happy to see the action that was taken by members of the Joint Committee on Finance today that will help propel tax relief to Wisconsin businesses affected by COVID-19.

It was disappointing to see that my Democratic colleagues wanted to put a cap on the tax deductions available to Wisconsin businesses when they need it most.

I am proud of the work that we did in cooperation with Department of Revenue Secretary Peter Barca, and I hope that we can continue to reach across the aisle and make good reforms.”
